

## **Town Mayor's Annual Report**

I can't believe how quickly this year has flown by and I will be sad to see my time as Mayor come to an end, I have enjoyed every second of it. Each and every engagement that I have attended has been completely different in its own way.

Christmas in Dawlish was wonderful last year, so many events happening. On Christmas Day I dropped into one of the Christmas lunches being held in the town for the less fortunate; I never fail to be amazed by the kindness of the residents of this lovely town who volunteer so much of their time and help with projects that wouldn't happen without them. I would encourage each and every one of you that has time to spare, even if it's just an hour a week to consider doing this. Many of the volunteer organisations are part of my Mayoral Charities – if you'd like to support the wonderful work they do, tickets are available for purchase for my Civic Evening on 30 March which is being held to raise funds. Further details can be obtained from Dawlish Town Council but hurry, tickets are selling out fast!

The sun is shining as I write this, and Dawlish is getting ready to welcome another season full of visitors to our town that we are so lucky to live in. I would just like to wish you all good health and happiness in the coming year and thank you for the kindness shown to me during my year as Mayor.

Cllr Lisa Mayne  
Mayor of Dawlish
