

WATERFOWL SPONSORSHIP

Sponsor one of the waterfowl on Dawlish Water and your investment will make a very real contribution to the care and well being of all the waterfowl.

Feeding, cleaning, veterinary care and heating costs all add up to make the care of the waterfowl a very expensive activity.

If you would like to help, please complete the application form.

Waterfowl sponsors have their name displayed at the Waterfowl compound in recognition of their contribution and will receive:

- ◆ A sponsorship certificate with a picture of their sponsored bird
- ◆ Gift Card (this is optional)

Please look out for the notice boards which are along the stream. They contain all sorts of advice and information regarding the Waterfowl.

WATERFOWL SPONSORSHIP FORM

DAWLISH TOWN COUNCIL

The Waterfowl

Sponsorship Form

Dawlish Water is home to a large selection of Waterfowl. There are the following species of ducks: Whistling Tree, Carolina, Bantam, Mandarin, Call, Bahama, Pintail, Tufted Duck, Crested Duck, Black East Indies, Teal, and Shelduck.

We also have Snow Geese, Chinese Geese, Ebon Goose and African Goose. The waterfowl thrive under the watchful eye of the wardens who are responsible for their day to day care. Volunteers help out at weekends.

There are records of Black Swans being on The Brook in the early Twentieth Century but between the two World Wars, they died out.

In the late 1940s, Captain GRS Pitman, a game warden in Uganda, presented a pair of Black Swans to the town of Dawlish in memory of his late parents. Black Swans have lived on the Brook ever since and have been the emblem of the town for more than 50 years.

Please complete both parts of the form and send it, with your cheque, to the council address on the back page.
