

## WATERFOWL SPONSORSHIP

Sponsor one of the cygnets born in February 2023 on Dawlish Water and your investment will make a very real contribution to the care and well being of all the waterfowl.

Feeding, cleaning, veterinary care and heating costs all add up to make the care of the waterfowl a very expensive activity.

Easter sponsors have their name displayed at the Waterfowl compound for 3 months in recognition of their contribution and will receive:

- ◆ A sponsorship certificate with a picture of their sponsored bird
- ◆ Easter Card (optional)

**Easter sponsorships will be dispatched by Monday 3rd April.**

Please look out for the notice boards which are along the stream. They contain all sorts of advice and information regarding the Waterfowl.

# Sponsorship Form

There are records of Black Swans being on The Brook in the early Twentieth Century, but between the two World Wars they died out.

In the late 1940s, Captain GRS Pitman, a game warden in Uganda, presented a pair of Black Swans to the Town of Dawlish in memory of his late parents. His father, Charles Pitman, had been a County Councillor. Black Swans have lived on The Brook ever since and have been the emblem of the Town for more than 50 years.
